

## Publications

[www.clearhq.org/Publications](http://www.clearhq.org/Publications)

CLEAR's publications, articles and briefs provide insight into professional regulation and offer strategies to promote regulatory effectiveness.

### **CLEAR Exam Review**

*CLEAR Exam Review* is a bi-annual publication bringing to light the many trends and issues related to testing and measurement. It discusses current licensing examination evolution and highlights areas of importance to regulatory authorities. A subscription to *CLEAR Exam Review* is included in the many benefits of CLEAR membership. Nonmembers may purchase an annual subscription for US\$30.

### **Resource Briefs**

For current issues and key topics in professional and occupational regulation, consider CLEAR's series of *Resource Briefs*. These smaller publications present regulatory research and information in short papers so they are easy to read and easy to apply to your organization. *Resource Briefs* are available free to CLEAR members and at a small charge to others.

### **Reference Library**

CLEAR's online reference library includes lists of online articles and other references on topics of interest to the regulatory community. With information on professional mobility, continuing competence, testing and assessment and administrative needs of regulatory organizations, this resource can help you find the information you need to improve your organization.

Detailed information regarding the history, context and significance of professional and occupational regulation is provided in the several monographs CLEAR maintains. Look no further than CLEAR publications for additional insight on professional regulation trends and strategies.
